REPORT OF THE SUPERINTENDENT OF SCHOOLS

*To the members of the School Board, and
the Citizens of Goshen, N. H.*

When a new superintendent comes to a town, there is always a feeling that he is going to inaugurate striking changes at once. This is contrary to good usage. Usually a school plant is running well, and it is not economy to make changes when matters are satisfactory.

I find that the citizens of Goshen, or at least those I have met, are anxious that the schools continue at a high standard. I find that the pupils are of good mental calibre, and that adequate financial support is being furnished.

At the close of September, 1930, there were enrolled pupils as follows:

| | i | ii | iii | iv | v | vi | vii | viii | total |
|--------------|---|----|-----|----|---|----|-----|------|-------|
| Mill Village | 3 | 2 | - | 2 | 5 | 2 | - | 3 | 17 |
| Corner | 2 | - | - | 1 | 4 | 1 | 2 | - | 10 |
| Sunapee | - | - | - | 1 | 2 | - | 2 | - | 5 |

There were also enrolled in Newport High School 7 pupils, and in Sunapee one. I am sorry to report that two of those in Newport have dropped out.

Goshen is fortunate in being able to have a school nurse whose whole time is devoted to school nursing. Due to her efforts, and the cooperation of some of the citizens in furnishing transportation, a considerable number of the school children were given the toxin-anti-toxin treatment for prevention of diphtheria.

During the fall term, Goshen was host for a State rural teachers' institute, held for teachers of this section.

The School Board has had regular meetings each month, and the members have given thoughtful attention to the details of school business. This, I believe, is the basis for continuous good schools. May I congratulate your Board on this policy, and at the same time may I offer my sincere thanks for the personal advice and help which has been given me.

Respectfully submitted,

F. A. NORRIS.
